HAPPENINGS

Children, Cotton Candy, and Clowns

Caper at Carnival

CLOWNS WENDY FRITZ and Sandy Esposito livened up this year's Carnival activities as they sold cotton candy and balloons. In the tradition of many past Carnivals, this one was a big success with students decorating booths and selling items or chances in an effort to raise money for their clubs and classes.

The winning concession was the MECHA Club booth (OPPOSITE PAGE) which featured Mexican food. Another of the finalists was the Pep Club's fudge booth (BELOW). The Auto Club sponsored its usual car bash (BOTTOM LEFT) while the FFA had its rough-and-tumble "Buckin' Bronco," (OPPOSITE PAGE, FAR RIGHT).

Carnival Royalty were Mike Kay and Helen Molina, seniors. Placing second were Sandy Sheridan and Frank Dubasik, juniors (FAR LEFT); third place were Autumn Ballard and Robert Martinez, freshmen (LEFT). Sophomores Julie Prather and Junior Cota, (OPPOSITE PAGE, TOP), placed fourth.

(FAR LEFT) Mr. Maas holds Mickey Mouse, Pink panther and Dumbo, the three stuffed animals that the Pep Club held a drawing for. (LEFT) Sherry Duguid, Regina Gassner and Sheri Smith joined the crowd and wore their Mouse ears on Mouseketeers day. (BELOW) Did it really snow on Cindy Durby and her Mouse ears? (BOTTOM LEFT) Chris Van Meter made a really cute looking Tinkerbell. (OPP. Senior Float Takes First Place

HOMEcoming IS A time of working together, making new friends, and having fun. It is also a time when all the alumni of PHS can come back and renew old friendships and memories. The theme of Homecoming was "Disney Days." The week held many activities. On Monday things started off with a slave auction. The football players got the chance to buy a favorite girl for a day. Tuesday things were reversed. The girls were able to get revenge. Wednesday was Dress Up Day; students and faculty came to school dressed as their favorite Walt Disney characters. All the alumni were invited back to the campus to visit. Thursday was Mouseketeer Day. Everyone grew ears and whiskers for the occasion. Friday, the big day, started off with an assembly put on by the football players, cheers, Kitten Kadets, Band, and King and Queen candidates.

(OPP. PAGE TOP FAR LEFT) Seniors all join in on stapling the last flower on the float. (OPP. PAGE TOP LEFT) The Juniors had Dumbo for their float theme. They came in fourth place. (UPPER LEFT) Donald Duck captured third place on the Freshman float. (ABOVE) Dumbo gets some finishing touches from two Junior girls. (OPP. PAGE BOTTOM LEFT) Pauline Bertucci, a sophomore, wonders if they are ever going to find some more string. (OPP. PAGE LEFT) The Senior float which was designed around Cinderella and her midnight warning took first place. (LEFT) Pirates of the Caribbean was the theme of the Junior float which took second place.

THE ASSEMBLY FRIDAY started the activities of the day off. All morning students worked hard to get the floats ready for the judging and the parade through Peoria at 2:30. The game against the Glendale Cardinals began at 7:30. Even though we lost by a score of 6 to 20, it did not spoil the occasion. The Varsity Club sold mums all week and at the game. The Pep Club sold balloons which were released on cue. At half-time the Band and Kitten Kadets performed. Debbie McCarty was crowned Homecoming Queen, and Robert Camacho was crowned at the dance after the game. A special thanks goes to Student Council under Ms. Cameron, who made the wonderful Homecoming activities possible.

Drama Students Present Comedies

ON OCT. 16TH the Drama Department presented three comedies and four funny skits in its opening production of the season. The first play, entitled "Nobody Sleeps," is about a couple of burglars who encounter an interesting family. "Shock of His Life" was presented by the Drama I Class. It deals with a misunderstood "Life and Death" situation. The Advanced Drama Class presented "If Girls Asked Boys For Dates," a comedy about reversed dating roles. The four skits were: "Talk for Two," "R. U. There, Madam," "I Pitch" and "Frontier Psychiatrist." Announcers for the evening's productions were Lynette Forbes and Tina Lintz. Ms. Deanna Shcolnik directed all the productions. This is her sixth year with PHS, and the Drama Department has come a long way in that time.

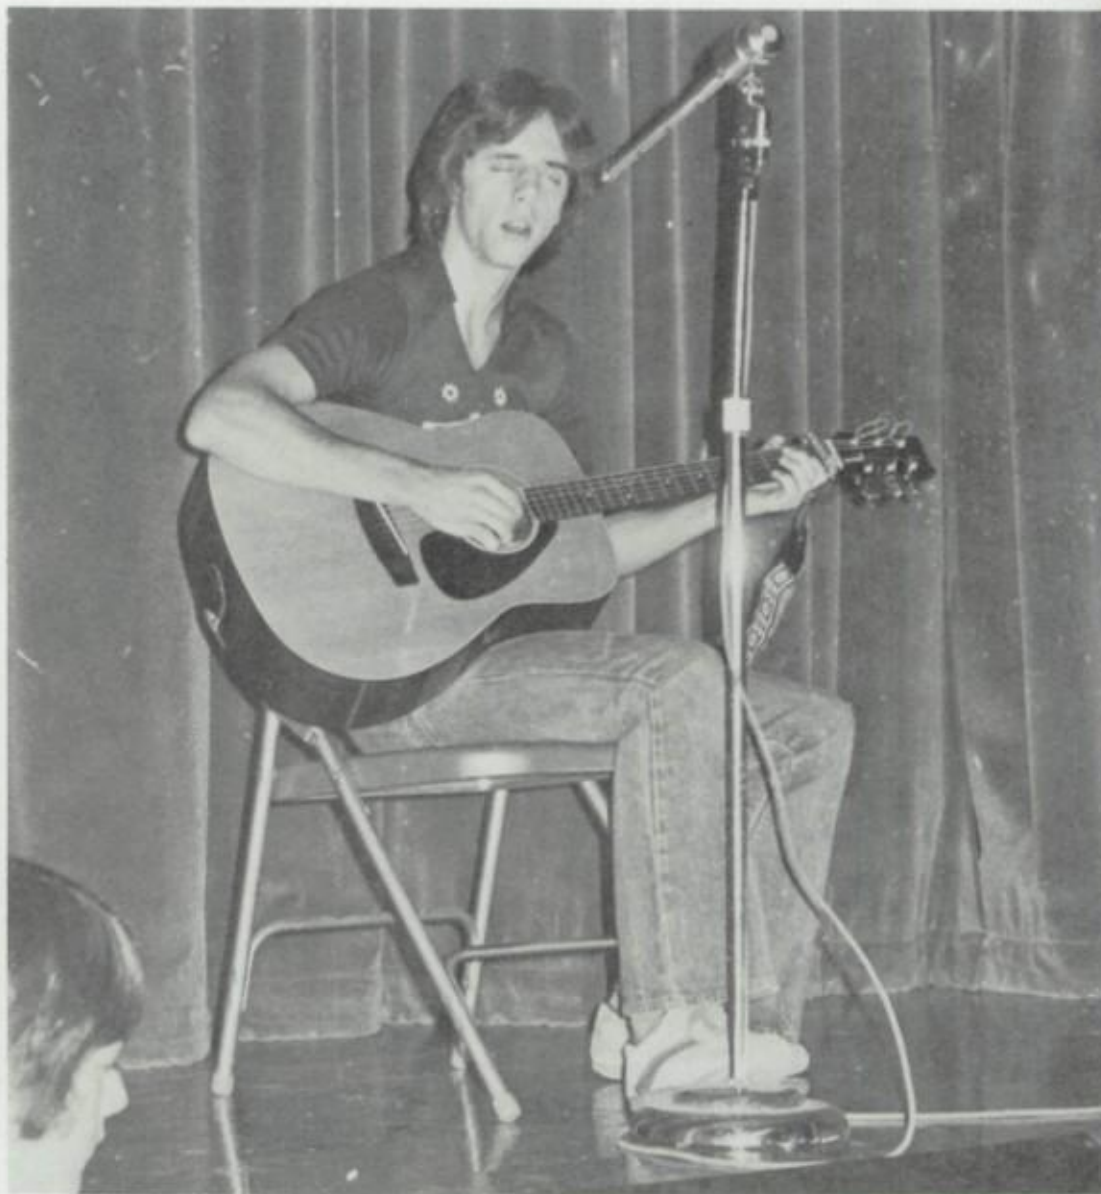

(OPPOSITE PAGE TOP) Sam Dilettoso and Lynette Forbes from the skit "Talk for Two." (BOTTOM) Randi Jean, Alison Ford, Linda Davis, John Weiler, Duffy Daugherty, Rachelle Saliba and Sybil Harris from the play "Nobody Sleeps." (LOWER LEFT) Lori Hemphill, Duffy Daugherty, Alison Ford, Rachelle Saliba from the play, "Nobody Sleeps." (LOWER RIGHT) Sam Dilettoso and Cindy Fisher from the play "If Girls Asked Boys for Dates."

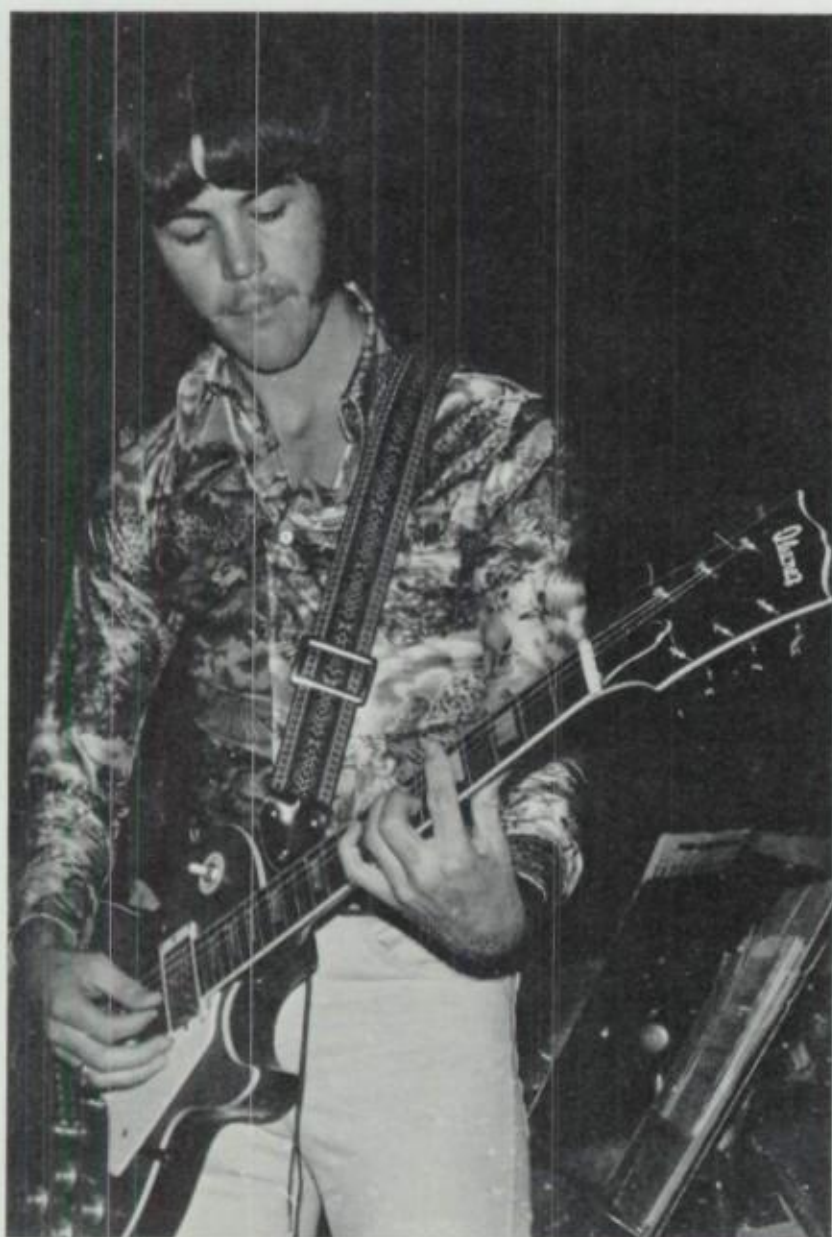

THE ANNUAL BAND Blackouts has been a tradition at Peoria for many years. It gives students a chance to show off their talents and have fun at the same time.

(RIGHT) Lafayette Coleman took first place with the song, "Love Has No Pride." (OPP. PAGE RIGHT) Sam Dilettoso and Jim Blackmore were Masters of Ceremony. (OPP. They sang a duet entitled "Don't Cry, John." (LOWER RIGHT) Laura Bates received second place when she sang "You'll Never Walk Alone." (OPP. Students Enjoy Christmas Spirit

DURING THE CHRISTMAS season there are many activities that students can get involved in.

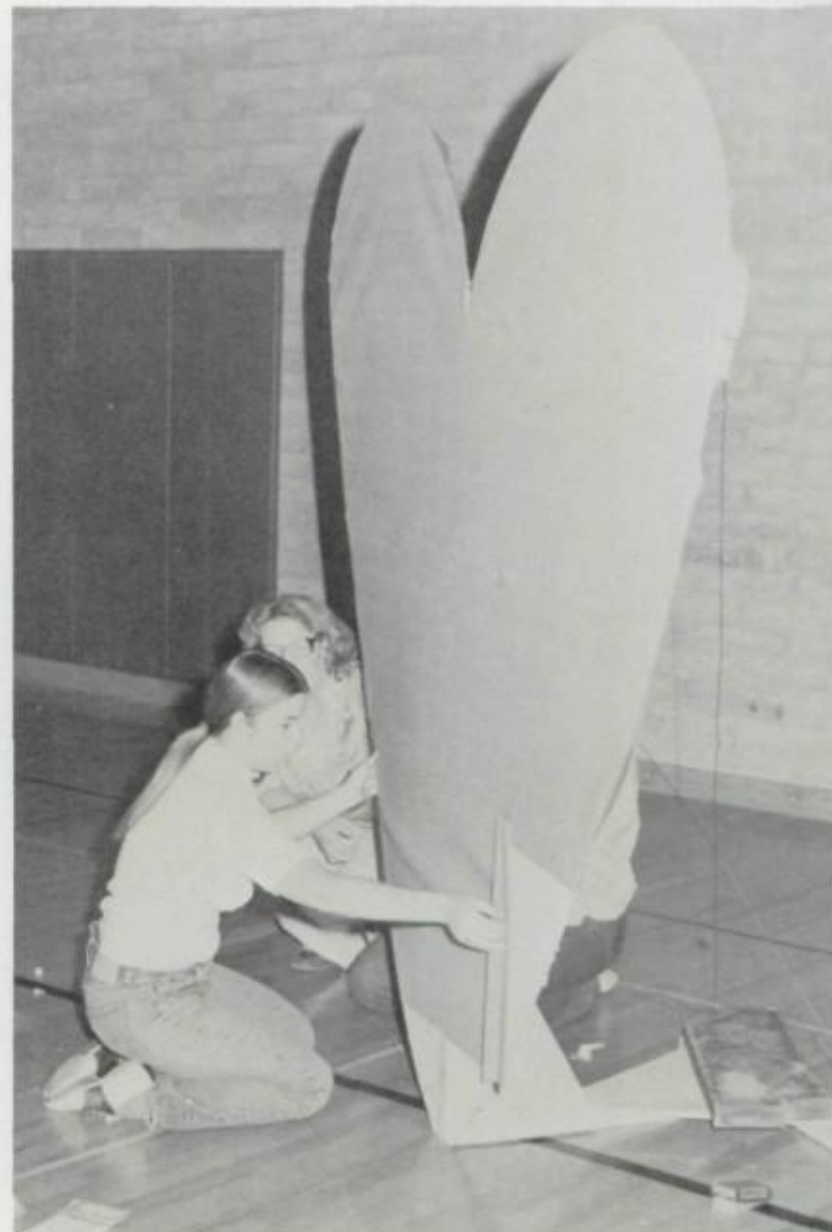

(ABOVE TOP) The Modern Dance classes performed a Christmas package dance at the Christmas assembly. (OPP. Chelle, Frank Selected 1977 Sweetheart and Bachelor

THE ANNUAL SWEETHEART dance was held February 12 in the new gym. Sweetheart candidates, chosen by the FFA, were Sandy Esposito, Chelle DeCubellis, Camie Tackas and Cindy Van Meter. FHA members chose the bachelor candidates who were senior Andy Chagolla, junior Frank Dubasik, sophomore Pat Piazza and freshman Paul Medina. Plans for the dance were made weeks in advance. (TOP RIGHT) FFA and FHA officers meet over pizza to make preparations. FHA opened the "sweetheart season" by selling carnations (LOWER LEFT). The day of the dance members of the two clubs met in the gym to decorate, prepare the heart and fix refreshments. At the dance, LOWER RIGHT, candidates danced together. OPPOSITE PAGE, LOWER FAR RIGHT, the 1977 Sweetheart and Bachelor are congratulated. Sophomore Chelle DeCubellis was selected Sweetheart on the basis of a speech delivered to the FFA about agriculture in the future. Junior Frank Dubasik was selected Bachelor after he used his talents to bake the prize-winning, homemade cherry pie.

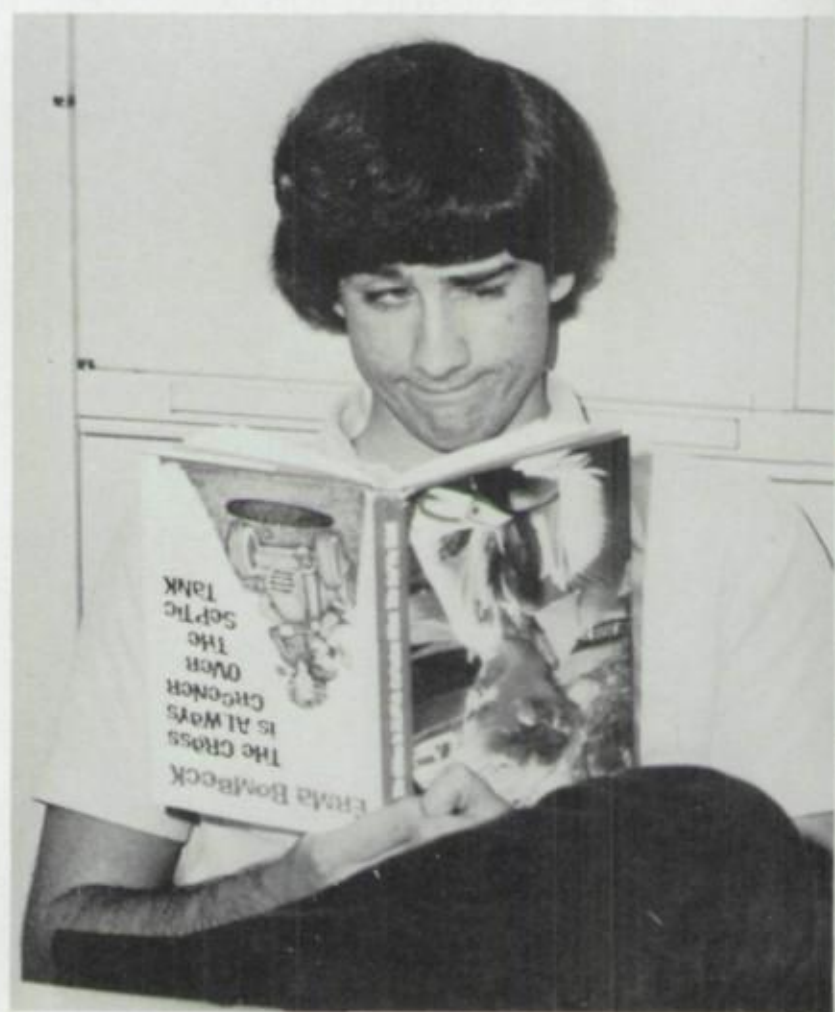

Dancing, Painting, Experiencing Life Through Activities— That's PHS 76-77.

PEORIA HIGH SCHOOL 1976-1977 was full of life. Activities got students involved with the exchange of ideas and expressions of emotions that, as always, were part of the living and sharing of high school. Murals were painted in the bookstore and attendance office. Bachelor's Survival was now Single Survival and the fresh ideas of a student teacher were also a change for the better. The fantastic football season inspired dancing in class and on the Drill Team and inspired life and spirit to the campus. Career groups took field trips and investigated opportunities of work and study in the future. And, as always, spring fever struck the Seniors who often complained of the awful malady called Senioritis. PHS holds memories for all of us to be remembered.

A Year of Elections, Snow, and Deaths

IN THE NATION AND THE WORLD

IN THE 1976 United States Presidential elections, James Earl Carter won by almost two million votes over the incumbent, President Gerald Ford. Carter's running mate and new Vice President was Walter Mondale. Carter, a Democrat and Southerner, brought a new kind of casual air to the Presidency.

While still in office, President Ford ordered a nation-wide immunization program against the swine flu. Due to the adverse reactions caused possibly by the shots, the program was discontinued with hopes of re-establishing it at a later date.

Jacqueline Means, 40, became the first officially recognized Episcopal woman priest.

Due to the tremendous amount of snow and continuous bad weather in the east, many schools were forced to close. Many children kept up with their lessons by local radio stations. Ironically, the west faced a water shortage which could lead to a drought.

Many industrial plants were forced to either cut their hours or shut down altogether due to fuel shortages.

Gary Gilmore, 36, a convicted murderer, was the first American to be executed in nearly a decade. He was shot by a firing squad at the State Prison in

Utah.

The West Point Honor Code, so very important to the Academy, went under review after several students had been discovered cheating on exams. The cheating scandal caused a great controversy over the relevance and importance of such an honor system.

Twenty-six children and their bus driver, Frank Edward Ray, were kidnapped in Chowchilla, California by three young men. All escaped from the two vans they were held captive in. The police arrested three suspects.

Israeli commandos raided Entebbe Airport in Uganda, Africa, to rescue 93 Israelis, passengers with Jewish sounding names, and 12 Air Force passengers. The raid was executed at night on July 4. One woman was left behind because she had been taken to the hospital earlier. It was later discovered that she died.

At the 1976 Olympics, President Trudeau of Canada, the host of the event, wouldn't allow Taiwan to enter the games under their chosen name, Republic of China. His actions were the result of pressure from China, with whom Canada has many trading affiliations. Taiwan did not participate in the games as did many other countries in protest of Trudeau's actions.

A strange disease killed 25 American Legion members after they had attended a convention in Philadelphia. The disease, known as the Legionnaires' Disease, was thought to be a virus. No definite diagnosis was reached.

New York City was on the brink of bankruptcy and waited for President Carter's decision on whether or not to approve a loan that would secure their economy.

Among the American gold-medal winners at the Olympics were John Naber, Jenni Chandler, John Hencken, Mike Bruner, Brian Goodell, Bruce Furniss, and Bruce Jenner. In the winter Olympics, Dorothy Hamill, champion ice skater, captured a gold medal as well as everyone's heart.

HONORS

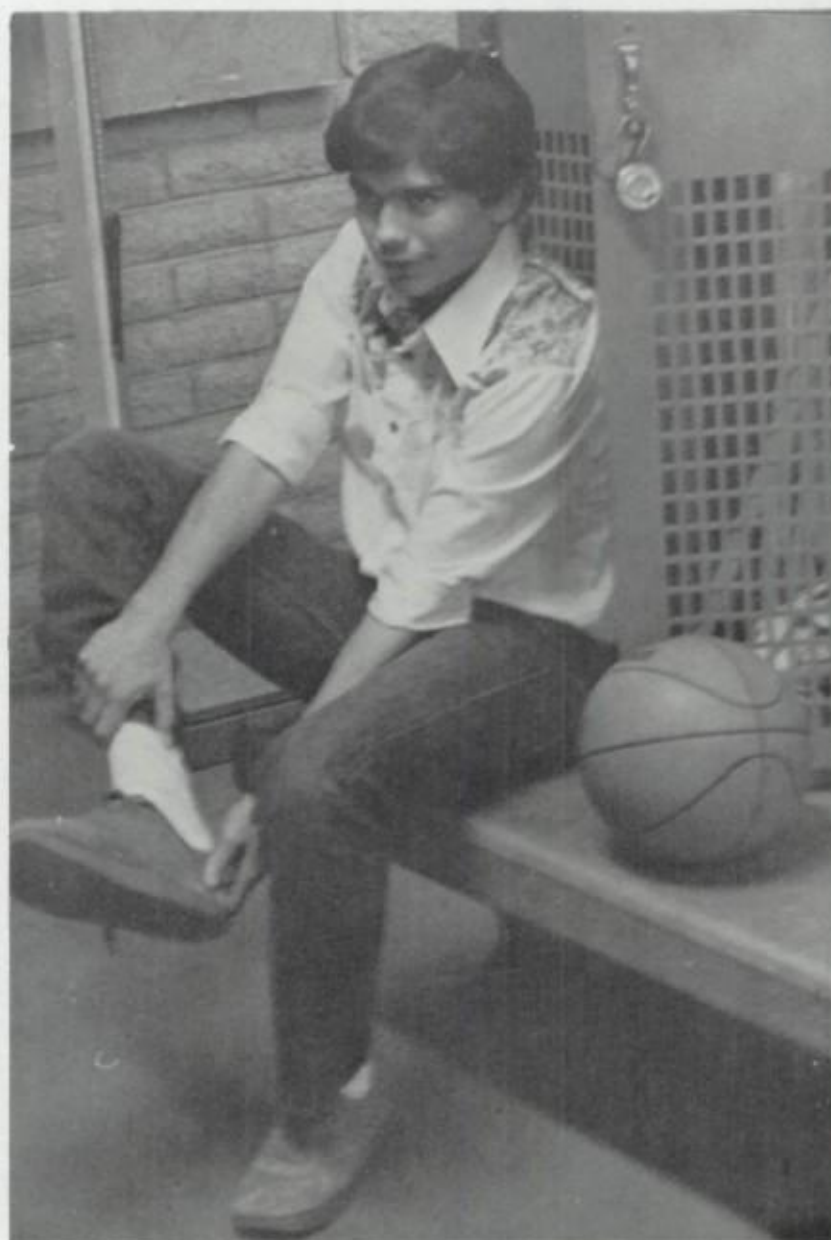

THREE STUDENTS TIED for Valedictorian of the Class of '77. All three had a grade point average of 1.0. The Valedictorians are: Omar Cobos (RIGHT), Gail Gallifant (LOWER RIGHT) and Tom Hockey (OPPOSITE PAGE BOTTOM RIGHT). The Salutatorian is Paul Sofianos (BELOW). Debra Cornwell (OPP. PAGE TOP) is fifth in the class.

Omar Cobos, Valedictorian, has a wide range of interests which include sports, camping, traveling and other outdoor activities. He enjoys studying math, foreign languages, and recreational activities. When asked about college, Omar said he had been accepted to the U of A but was waiting for offers and news from other colleges. He plans to major in engineering and minor in business administration.

Gail Gallifant, Valedictorian, was able to acquire enough credits to graduate a year early. She was given credit for some accelerated classes she took in Junior High. Gail's interests are drawing, music, athletics, camping, sewing and cooking. She was also a Varsity Cheerleader for basketball. Gail plans to attend NAU to study psychology. She hopes to someday have a private practice and work with young people.

Paul Sofianos, Salutatorian, had a grade point average of 1.025. Paul graduated at the semester break. He then went to the U of A on a scholarship. Paul had one year's credit from GCC before going to Tucson. His interests are astronomy and science. He plans to major in physics and astronomy.

Top Five Students Have Varied Interests

Tom Hockey, Valedictorian, had enough ambition to take four classes at GCC while also attending PHS. He is interested in astronomy, photography, music and science. Tom was the Commander of the Peoria ROTC squadron during his senior year. He plans on attending the U of A. Tom is interested in doing research or teaching astronomy.

Debra Cornwell is fifth in grade point average for the Senior Class. Her grade point average is 1.057. Debra enjoys cooking, sewing, camping and working with children. She was a member of the yearbook staff for two years, serving as Editor her senior year. Debra plans to attend GCC and ASU. "A Week That Shapes a Lifetime"

ANYONE WHO HAS ever gone to camp will know how it feels to be away from home, meeting new people and finding new experiences. That's how it feels to go to Girls'/Boys' State. You're thrust into an entirely new environment to learn the American political process. The 4 boys and 2 girls who went to their respective states learned about political parties and their platforms, how to run for office and how to handle victory or defeat. They discussed the "issues," made lifetime friendships. It was definitely a week they'll all remember, for it influenced their entire political opinions and their views of America. It was a week that shaped their lives.

Andy Chagolla, ABOVE RIGHT, demonstrates his belief that anything can be tackled, no matter how big, if you truly want to achieve fame. Andy was elected to City Council. ABOVE: Jeannette Davis pledged a clean judicial system while running for Justice of the Peace. It was a clean campaign that won her the office. John Kowalski, RIGHT, Stated: "Boys' State was a week of fun, learning and friendship that I'll remember as the best week in my high school years." John was elected to the City Council as well as to the Senate.

Sam Dilettoso, ABOVE, LEFT, shows that the office he held at Boys' State fits right in with his basic character. Sam was the Sanitation Engineer and on the City Council. Lisa Moore, ABOVE, discovered that things get rough out in the world of politics. Although she lost in the election for Attorney General, she was elected to the City Council and helped rewrite the City Charter. LEFT: John Collins, being an expert driver, was elected as Fire Chief for his city, as well as to the County Board of Supervisor.

SIRKKA-LIISA HAMALAINEN, foreign exchange student through Youth for Understanding, arrived at Peoria High School in August from her native Finland, to spend a year in America studying and learning about life in our country. Arizona, with its hot summers, cactus, palm trees, fresh citrus and mild winters, was in contrast to Liisa's homeland. Finland has over 60,000 lakes and suffered a hard winter with sub-zero temperatures during her absence.

Liisa quickly adjusted to American customs. She will leave behind a great many friends as well as her American family who has become very attached to her. But she takes with her a lifetime of memories. As Liisa says:

"It has been a wonderful year for me. I shall miss you all--my friends, my American parents and sister and brothers. But I shall also remember the good times I've had in America and the wonderful times I've shared with so many of you. And I hope that some day you can come visit me in my homeland--Finland."

New Coach Takes Over Varsity

AFTER MANY MIX-UPS and the hiring and resigning of one coach, Coach Bill Gollihare took over the Varsity squad, replacing Mr. Arney who is now a counselor. Chalk up Another One

EXCITEMENT IS THE only word that comes close to describing the '76-'77 girls softball team. This is the first year of the softball for the girls and not only did they take second in their division but went to the state championships and placed 7th. A strong sense of PRIDE, determination, desire and team work is what took them to state. But the team wouldn't have made it this far if it wasn't for the great coaching of Mr. Vicars and Mrs. Ruhlman. They enjoyed it and are very proud of what the girls did. The team has five seniors leaving; Cindy Lyall, Marci Wells, Francine Dubasik, Cheri Hall and Erika Binggeli.

THE CHANGE FROM a Pom Line to a 36-member Drill Team this year was considered a success by most at PHS. Under the direction of Mrs. "Mick" Mathias, who saw them through every crisis possible with 36 girls, they helped present new kinds of half time and pre-game shows. With Mr. Weller and the band working with the Team, their marching and form improved. They were present at all Pep Assemblies and rallies, cheering for the Panthers. The Drill Team enforces discipline and encourages pride and each squad leader is sure her squad is best.

Dolores Capilla, LEFT, escorts two wrestlers onto the mats during the Peoria Invitational. Sandy Esposito and Cindy Van Meter, ABOVE, do a good job of keeping score during a match. All of the Mat Maids did a great job and were well appreciated. They have a reputation of being intelligent and cooperative when it comes to keeping score. They also do alot to promote school spirit.

ROTC Develops Responsibilities and Ambition

THE ROTC GROUP on our campus is one of the more active organizations. Throughout the year they hold fund raising activities, attend many field trips, and study about the Air Force and the many regulations entailed. On Tuesdays, they must wear their uniforms, so it's easy to pick them out in a crowd. This group of students are ambitious and look towards their futures with optimism. Some will go on to join the Air Force, while others may find that it doesn't quite fit their needs. No matter which way they go, they will all have benefitted from the experience of going through ROTC training.

Although the sponsors of ROTC, Col. Coke and Sgt. Colucci, weren't available when pictures were taken, we don't want to leave them out. They taught the ROTC'ers a lot and helped them fulfill their responsibilities.

UPPER RIGHT: Gretchen Vendeville, first female Squadron Commander, gets things organized for a rocket launching. RIGHT: The ROTC group went on many interesting field trips. They are pictured here admiring a plane at Sky Harbor's Air National Guard unit.

ABOVE LEFT: This is the drill team at attention. LEFT: Members of the color guard are (BACK ROW) R. Cunningham, B. Roberts, M. Ashley, D. Cleveland. FRONT ROW: S. Sparks, M. Aguayo, C. Heregar. ABOVE: Pictured here are Gretchen Vendeville, Mr. Mathis, and another version of the color guard.

CLOC and Rocket Clubs Develop Interests

Rocket Club Members ARE FROM L TO R: Paul Gray, Robert Kennedy, Jose Carrera, John Neilson, Dan Garrett, Jim Harris, Brian Roberts, Darren Pharis, Jeff Spitzer, Fred Richards, Joe Reeves.

The CLOC (Christian Life on Campus) Club, sponsored by Mr. Hildreth and Mrs. Cupell, is pictured here. Members ARE L TO R: Leann Johnson, Amanda Huddle, Shellie Warner, Sybil Harris, Nolan Dragoo, Laura Bates, Milley Childers, Tim Durby, Janet Trenbeath, Natalie Spacone, Brenda Williams, Jody Couch, Deana Jones. FRONT ROW: Susi Johnson, Leslie Nelson, Shari Edwards, Janice De Perrio, Beth Ballard, Karen Key, Carol Spacone, Mr. Hildreth, Patty Lee, David Stevens, Tim Hardy.

The officers, PICTURED ABOVE, are Rick Backus, Sentinel; Jeff Draper, Pres., Tom Wiese, Vice Pres., Tory Weaver, Historian, Anna Castillo, Secretary, Camie Tackus, Treas. LEFT: The all-important symbol of a Rodeo Club Member.

THE RODEO CLUB'S main interest revolved around horses. This included riding, roping barrel racing and many other related activities. Some may have been satisfied by just watching these things at a rodeo, Gymkana, or other event, but most of the people in Rodeo Club wanted to get in there and do it themselves. This kind of activity held a fairly big interest among students. The Rodeo Club was one of the largest at Peoria.

PEP CLUB OFFICERS: LEFT TO RIGHT, Liz Kostas (Vice President), Vicky Vance (Treasurer), Sponsors Mrs. Cupell and Mrs. Huling, Patti Bango (Vice President), Gala Adamowecz (Secretary) and Frances Collura, (President).

Guys Join Gals

Result: Spirited Boosters

BOYS BECAME MORE active in Pep Club this year as the group expanded to the largest Pep unit in PHS's history. Included in the busy schedule was the spaghetti dinner, selling programs at the games and the stuffed animal drawing and balloon sale at Homecoming, along with the usual activities such as poster making and giving the teams support at football and basketball games. Pep Club had a new sponsor this year, Mrs. Cupell.

Best Varsity Club in PHS History

Stress and Strain Drive Student Body

Officers Zany

THE STUDENT BODY Officers work as representatives for the students to Faculty and Principal. They lead the rest of Student Council in the major activities and handle the elections of other officers. Thanks to them the dances are now held in the new gym. The Officers also help increase the number of Christmas boxes to a record high this year. They are responsible for the new juke box (J. Box) now playing in the snack bar.

The 76-77 Student Body Officers—Omar Cobos—Vice President, Gretchen Vendeville—Historian, John Collins—Treasurer, Jeannette Davis—Recording Secretary, Chris Van Meter—Corresponding Secretary, Sam Dilettoso—President.

FFA, for Tomorrow's Agriculture

THE PEORIA CHAPTER of the Future Farmers of America had a very busy year. The year started off with the annual Barbeque, the biggest money-making event of the year. Next was the State Leadership Conference, where all state contests are held. Peoria won an award for having an outstanding chapter and the Building our American Communities Award. The chapter also received these same awards on the National level. The FFA helped the City with the new parks in Peoria and helped with the Christmas boxes. This year three dances were sponsored by the Peoria Chapter, a country-western dance, a dance to raise money and canned goods for the Christmas boxes and the Sweetheart Dance. The chapter won lots of awards and kept very busy.

So, you see, the FFA ain't all cows and plows.

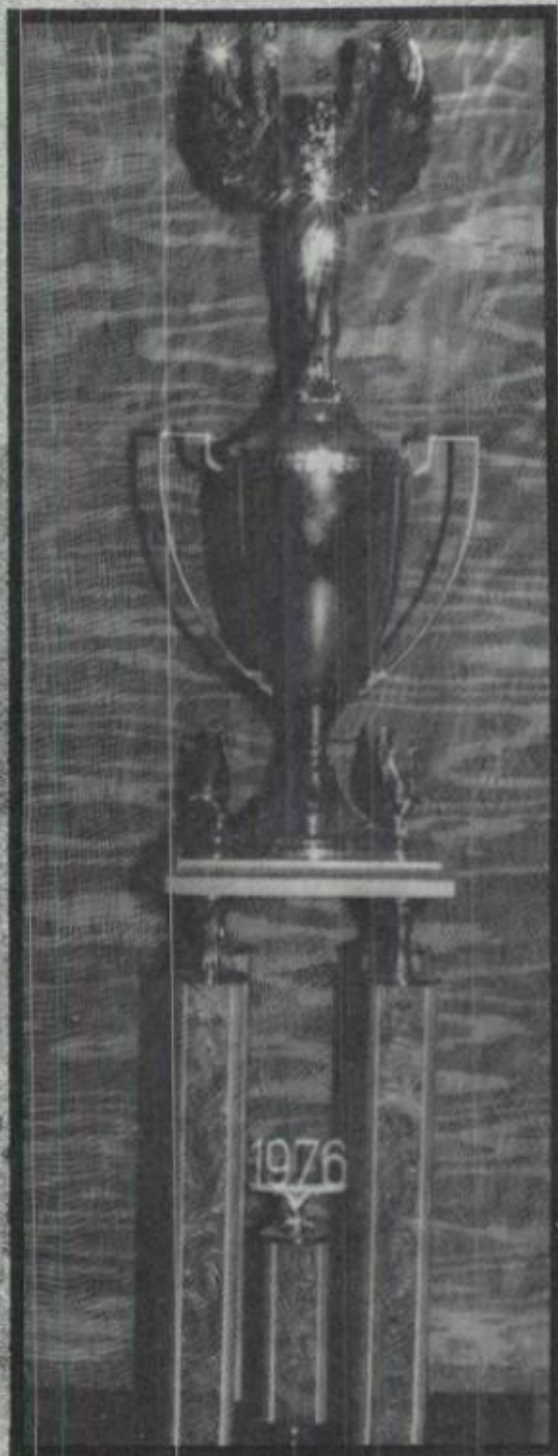

The FFA officers pictured at RIGHT ARE, (1ST ROW) Rodger Shamblin, Sentinel, Jim Whitehurst, President, (MIDDLE) Nancy Bango, Sweetheart, (BACK) Wendy Fritz, Reporter, Chris Van Meter, Treasurer, Walter Loerzel, App't. Administrators Face New Challenges

KEEPING IN LINE with the needs of today is just a small part of what its all about. The Administration has done a fantastic job of doing this. They have worked hard on problems such as increased enrollment and budget difficulties with which we have had to cope.

Secretaries Keep School Going

ABOVE: Betty Hardy, bookstore, takes a new students I.D. RIGHT: Sue Thorn, Principal's Office, greets everyone at P.H.S. with one of her smiles.

Not enough can be said about the secretaries of our school. Besides the building, they are the ones that keep the school together. Secretaries put up with an enormous amount of problems. They are not only a shoulder to cry on, but they have to take alot of hassles from teachers as well as students. If you ever need some kind of excuse why don't you go to them, they have heard them all. They are super!! Just hope they keep up the good work.

Congratulations to the Class of 1977

From the Peoria Panthers Booster Club

THE PEORIA PANTHER Booster Club was formed in 1976 to support all activities promoted by Peoria High School, striving constantly for the betterment of spirit, sportsmanship, morale and friendship among coaches, teachers, students and boosters.

MEMBERSHIP IN THE Booster Club is open to any individual other than a High School student who wishes to participate in the purpose of the club. Annual dues are required.

ANYONE INTERESTED IN joining should contact the High School for further information.

PICTURED LEFT is the 4-foot "traveling" trophy presented to the senior class in recognition of their first-place float during Homecoming activities 1976. The trophy represents only one of many activities and contributions of the Peoria Panther Booster Club. The trophy was presented by Mr. Duguid to Senior Class President Andy Chagolla during half-time activities and will be presented each year to the class with the winning float.

HI, I'M DEBRA Cornwell. I can't even begin to tell you how much I have enjoyed being Editor of the yearbook. After all the work was done, I felt a wonderful feeling of accomplishment.

The yearbook staff consisted of a group of very hard-working people. They worked together as friends so they would be able to produce a yearbook that you will be proud to save forever.

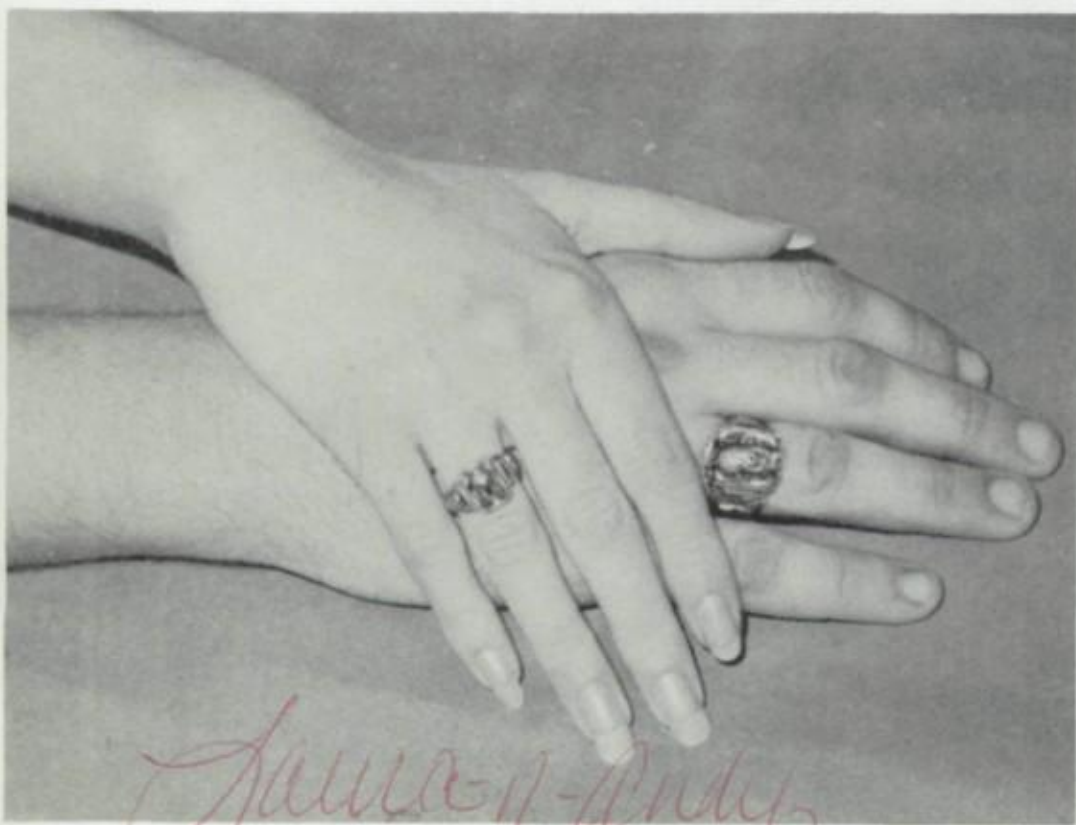

I would like to thank these people for all the work they gladly did.

I WOULD LIKE to thank Mr. Hildreth and the photography staff for providing us with all the necessary pictures that we just couldn't do without. I would also like to thank Mrs. Hudson and David Merdick for taking the beautiful color pictures that make the book so special.

Most of all I would like to thank Mrs. Hudson, our advisor. She was always there, ready to help. None of it would have been possible without her. With her help we were able to keep our sanity, meet our deadlines, solve our problems and have fun...all at the same time.

Lisa,

Yo had I met you in Mr. Wrights Crafts

Lisa,

The Phoenix Suns didn't do so hot this year, but they tried anyway. And we backed them well! (they will do better next year!) We should go out as cheerleaders for them.

I hope you get to Hollywood so when you're on TV I can tell my kids I went to school with you.

God bless ya, always and good luck in all you wish to do!

Love
Charlene.

Lisa,

Well, I guess this is
our last ^{Sorry} ~~for~~ year. Can
you believe it we are
finally going to graduate.
I hope I'll get to see
you during the future.

I wonder what you're
going to be doing in
the future. Probably
I'll be seeing you in
Hollywood working in
a studio. Good luck.
Don't forget me.

P.S. Thanks for all the time between 11:00-12:00 o'clock p.m.

I will always remember

Don't forget me.

Lisa as I was cleaning up my room so I decided that I would write in your annual. Lisa you know what! I had a terrific senior year. It was fun because you were there to share all the experiences we we went through together. I would never have known what I would have done without you. You were the only one I hung around with.

Since we only ~~practically~~ had all of our classes together. Lisa I have come to the conclusion that the only reason we are lonely is because we expect too much out of life. We want the ~~best~~ and if we can't have the best you would not put up with it. I guess that is the only way to get up there. I am so glad we are out of school. Lisa you put up so much with me.

I'm sorry for making ^{you} so late for early bird all the time.

Lisa, The thing that I remember most about you is how we became such good friends so easily last year. Thanks for taking me in like that. It's nice to know that there are other Christians around. Sometimes I start to feel like I'm all alone. I'm sure you do, too at times. But we're not alone. And we'll never be. I wish you luck in your future. I hope you are happy and are able to live a good life. Don't forget me ever. I'm really going to miss you and everyone else here at PHS. Let's have fun. Remember the Book Store, Max Maids, football games, lunch in uptown, and all the other things we did together. (Like C.O.E.) But most of all, remember me.

Love,
forith (the best)
